#### Introduction:

De-suung App is a tool used for managing information of the De-suups after passing out from the Training centres. Other features such as

- Daily Quotes
- News and Announcements
- Managing Events and marking attendance
- Entertainment (Music and videos)
- Application for skilling program
- Report first hand information of the incidents (accident or disaster) to other nearby De-suups and share disaster location using geo-location of map feature
- Grievance and feedback
- Online store
- Chat feature
- Poll, Quiz and lottery
- De-suung Library
- Health and fitness

The App is used mainly as a tool for information sharing as the primary mode of communication among the De-suung fraternity.
